SATSS is a State Government subsidised taxi travel program for people with permanent and severe disabilities who, because of their disabilities, cannot safely use public transport either independently or accompanied by a companion/carer.

Consideration for eligibility to SATSS will include:

- Evidence of a person's inability to use public transport independently or with a companion/carer;
- The effect of a combination of impairments on an individual's abilities;
- The appropriateness of SATSS to provide transport assistance;
- Consideration of personal safety issues (from the individual, transport provider and general public perspective);

- Cognitive & intellectual impairment (including psychiatric & neurological conditions) and;
- Communication impairments.

What benefits are available to SATSS members?

SATSS provides members with up to 80 trips for subsidised taxi travel which must last for at least six months.

The subsidy applies to the first \$40 of a taxi fare. The member must cover the full amount of any fare over the \$40 maximum fare limit.

SATSS members can travel with up to 3 passengers.

Membership is divided into two categories:

An Ambulant Member (those who are able to walk and are not permanently dependent on a wheelchair) receives 50% subsidy (maximum subsidy of \$20 per trip) and pays 50% of the fare themselves; or

Members permanently dependent on a wheelchair for mobility receive 75% subsidy (maximum subsidy of \$30 per trip) and pay 25% of the fare themselves.
